Protested _____

APPROVAL OF STATE ENGINEER

This is to certify I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the manner of use of the waters of the Truckee River as heretofore granted under Claim 680, 681, 682 and 683, Truckee River Final Decree is issued subject to the terms and conditions imposed in said decree and with the understanding that no other rights on the source will be affected by the change proposed herein.

This Permit does not extend the permittee the right of ingress and egress on public, private or corporate lands.

The issuance of this permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies.

A suitable measuring device must be installed in both the inlet and outlet channels of the lake and measurements taken on a regular basis of the water flowing into and out of the lake.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.355 cubic feet per second, but not to exceed 59.94 acre feet as decreed.

Work must be prosecuted with reasonable diligence and be completed on or before May 16, 1992

Proof of completion of work shall be filed before June 16, 1992

Application of water to beneficial use shall be made on or before May 16, 1994

Proof of the application of water to beneficial use shall be filed on or before June 16, 1994

Map in support of proof of beneficial use shall be filed on or before N/A

Completion of work filed JUL 13 1992

Proof of beneficial use filed JUL 12 1994

Cultural map filed _____

Certificate No. 13948 Issued OCT 19 1994
